

## **MicroVest Capital Management, LLC releases MicroVest – The next decade**

**February 5, 2015** – Over the past decade MicroVest Capital Management has established itself as a market leader in emerging market financial inclusion investing. Wielding a proven business model, MicroVest entered into its second decade with the intention to further grow the company's success and professional acumen. Today, MicroVest is releasing [MicroVest – The next decade](#) a report detailing the company's history, investment practice, and its view on the future development of the investment universe.

"We are very proud to release our ten year report, signifying a decade as industry leaders. As we move forward, this report will help us share our story and explain the validity of our investment thesis as well as MicroVest's process to execute on this thesis." says Gil Crawford, CEO of MicroVest Capital, LLC

### **About MicroVest Capital Management, LLC**

MicroVest is an asset management firm that offers global investment opportunities across our family of funds. Through its funds, MicroVest invests capital in under-banked markets, providing access to a growing portfolio of sustainable financial institutions. MicroVest believes that it's detailed due diligence process and focus on aligning values can result in meaningful financial returns for our investors. Since 2003 MicroVest has demonstrated that investing can be both profitable and purposeful. As of September 30, 2014, MicroVest managed \$279 million across its family of funds.
