

MicroVest Capital Management, LLC selected for the ImpactAssets 50

Impact Investing Showcase Features Fund Managers that Deliver Social, Environmental and Financial Returns

October 23rd, 2014 – MicroVest Capital Management, LLC has been selected for the [ImpactAssets 50 2014](#) (IA 50), a free, online resource for impact investors and their advisors. The IA 50, now in its fourth year, is the first publically available database of private debt and equity impact investment fund managers.

“We are very happy about our fourth consecutive selection into the ImpactAssets 50. It shows that our strategy of aiming to provide risk-adjusted returns to our investors while achieving high levels of impact has been successful,” says Gil Crawford, CEO of MicroVest Capital, LLC.

MicroVest invests in financial partners that understand that the best way to provide broad access to financial services is with a commercial approach. We believe that the solid social focus of our partners is a leading indicator of long-term financial outperformance.

The ImpactAssets 50 is the only free, public, searchable database of outstanding impact investing fund managers. The showcase includes a range of funds across the globe, spanning diverse issue areas and investment, with demonstrated and compelling social and environmental impact. Fund managers included in the IA 50 2014 manage a combined \$15.5 billion in assets devoted to creating measurable, positive impact.

The IA 50 selection committee is chaired by ImpactAssets' Chief Impact Strategist, Jed Emerson, and includes experts from The CAPROCK Group, Labrador Ventures, Toniic, UBS, and other leading impact investors.

About MicroVest Capital Management, LLC

MicroVest is an asset management firm that offers global investment opportunities across our family of funds. We invest capital in under-banked markets, providing access to a growing portfolio of sustainable financial institutions. We believe our detailed due diligence process and focus on aligning values can result in meaningful financial returns for our investors. Since 2003 MicroVest has demonstrated that investing with us can be both profitable and purposeful. As of September 30, 2014, MicroVest managed \$272 million across its family of funds.

About ImpactAssets

[ImpactAssets](#) is a nonprofit financial services firm that increases the flow of capital into investments that deliver financial, social, and environmental returns. ImpactAssets' donor advised fund ("The Giving Fund"), impact investment notes, and field building initiatives enable philanthropists, other asset owners, and their wealth advisors to advance social or environmental change through investment.

The IA 50 is not an index or investable platform and does not constitute an offering or recommend specific products. It is a not a replacement for due diligence. In order to be considered for the IA 50 2014, fund managers needed to have at least \$10 million in assets under management, more than 3 years of experience as a firm with impact investing and documented social and/or environmental impact. Additional details on the selection process are here: <http://www.impactassets.org/impactassets-50/review-and-criteria>.
