

MicroVest Capital Management Selected for the ImpactAssets 50

Impact Investing Showcase Features Fund Managers that Deliver Social, Environmental and Financial Returns

Bethesda, October 21, 2015 – MicroVest has been selected for the [ImpactAssets 50 2015](#) (IA 50), a free, publically available online resource for impact investors and their advisors. The IA 50, now in its fifth year, is the first publically available database of private debt and equity impact investment fund managers.

“We are excited to be selected for a fifth consecutive time for ImpactAssets 50. MicroVest’s growth over the last few years is proof that impact investing solutions are here to stay and are well received by a wide arrange of investors. Furthermore, we believe impact investing has gone mainstream, and we are eager to see continued interest from institutional and retail investors alike,” says Gil Crawford, CEO of MicroVest Capital Management, LLC.

MicroVest invests in financial partners that understand that a sustainable way to provide broad access to financial services is with a commercial approach. The company aims to provide its investors with risk-adjusted returns to ensure a steady flow of capital to microfinance and SME banks around the globe with the ultimate goal to foster economic development for the productive poor.

The ImpactAssets 50 is the only free, public, searchable database of outstanding impact investing fund managers. The showcase includes a range of funds spanning diverse issue areas and investment, with demonstrated and compelling social and environmental impact. Fund managers included in the IA 50 2015 manage a combined \$13.6 billion in assets devoted to creating measurable, positive impact.

The IA 50 selection committee is chaired by ImpactAssets' Chief Impact Strategist, Jed Emerson, and includes experts from The CAPROCK Group, Toniic, UBS and Blue Haven Initiative.

The IA 50 is not an index or investable platform and does not constitute an offering or recommend specific products. It is a not a replacement for due diligence. In order to be considered for the IA 50 2015, fund managers needed to have at least \$10 million in assets under management, more than 3 years of experience as a firm with impact investing, documented social and/or environmental impact and accept investments from the US.
